K-State 8
General Education Requirement

Effective for students entering Fall 2011

You must successfully complete courses/experiences for credit to cover all of the K-State 8 areas. If you plan well this should not add additional hours to the 127 credits required for the Ag Econ/Agbus degree. When a course is tagged for two areas, you may count that course toward both requirements. (A course can only be used twice.) You must have a minimum of four course prefixes (AGEC) from different departments. Equivalent transfer classes will satisfy the K-State 8 requirements. The courses listed are some of the most common ways for you to meet the requirements.
