

Daniel M. O'Brien

KSU Northwest Research Extension Center
105 Experiment Farm Road
P.O. Box 786
Colby, Kansas 67701-0786

Work phone: 785-462-6281
email: dobrien@k-state.edu

EXPERIENCE

Associate Professor, Kansas State University, Department of Agricultural Economics.

Extension Agricultural Economist - Northwest Research Extension Center. K-State Research and Extension, Colby, Kansas. January 2007 – Present.

Associate Professor, Kansas State University, Department of Agricultural Economics.

Extension Area Administrative Director - Northwest Kansas, Kansas State University, K-State Research and Extension, Colby, Kansas. June 2003 – December 2006.

Associate Professor, Kansas State University, Department of Agricultural Economics.

Extension Agricultural Economist - Northwest Research Extension Center, Kansas State University, K-State Research and Extension, Colby, Kansas. 1999 – May 2003.

Assistant Professor, Kansas State University, Department of Agricultural Economics.

Extension Agricultural Economist - Northwest Research Extension Center, Kansas State University, K-State Research and Extension, Colby, Kansas. 1995 – 1999.

Extension Farm Management Field Specialist – Northwest / West Central Iowa Extension Service, Iowa State University, Onawa, Iowa 1993 – 1995.

Extension Associate - Agricultural Marketing, Iowa State University, Ames, Iowa - Department of Economics, 1988 – 1993.

Graduate Assistant - Extension Agricultural Marketing, Iowa State University, Ames, Iowa - Department of Economics. 1987 – 1988.

Extension Agent - Agriculture & Chair - Pierce County Extension - Nebraska Cooperative Extension Service, University of Nebraska, Pierce, NE. 1983 – 1987.

Extension Agent - Agriculture & 4-H Youth - Lincoln County Extension – Nebraska Cooperative Extension Service, University of Nebraska, North Platte, NE. 1981 – 1983.

Graduate Assistantship – University of Nebraska, Lincoln, NE. Department of Agricultural Economics. 1979 - 1980

EDUCATION

Ph.D., Agricultural Economics, 1993 – Iowa State University, Ames, Iowa

Ph.D. Dissertation: Forecasting the probability distribution of U.S. harvest time average corn prices

M.S., Agricultural Economics, 1980 – University of Nebraska, Lincoln, Nebraska
M.S. Thesis: The effect of agricultural cooperatives on rural fertilizer markets
B.S., Agricultural Economics, 1978 – University of Nebraska, Lincoln, Nebraska

AFFILIATIONS

Agricultural and Applied Economics Association (AAEA)
Western Agricultural Economics Association (WAEA)

PROFESSIONAL SERVICE

Editorial Team Member for the *Western Economics Forum (WEF)* affiliated with the Western Agricultural Economics Association (WAEA) – Co-lead editor for the Fall 2018 issue focusing on “*Beef Management and Marketing*”
Associate Editor for the *Agronomy Journal (AJ)*: 2008 through 2019 (34 reviews, 4 in 2018)
Reviewer for *The Energy Journal*, 2014 (1 article)
Reviewer for *Transactions of the ASABE*, 2015 (1 article)
Reviewer for *the Journal of Agricultural and Resource Economics (JARE)*, 2017 (1 article)

UNIVERSITY and DEPARTMENT COMMITTEES

Search Committee Member for the *Northwest Extension Family and Consumer Sciences Specialist Position Search Committee*, 2017-early 2018.
Search Committee Member for a Northwest Kansas Farm Management Association *Extension Agricultural Economist Position*, November-December 2017.
Chair of Search Committee for the *Southwest Extension Agricultural Economist Position Search Committee*, 2014-2015.
KSRE Extension Area-Multicounty Specialist DCOP Committee (Departmental Committee on Planning), 2009-2016.
Co-Chair of the *KSU Extension Farm Management PFT (Program Focus Team)*, 2014.
Chair of the *Northwest Extension Agronomy Specialist Search Committee*, 2013.
Chair of the *Northwest Extension Livestock Specialist Search Committee*, 1996.

HONORS

“2017 Outstanding Program Focus Team Award – Farm Management PFT”, Kansas State University, *KSRE Annual Conference*, Manhattan, KS. November 2, 2017.
“2017 ASA Extension Educational Materials Award – 2016 Soybean Production Handbook”, American Society of Agronomy, *ASA-CSSA-SSSA Annual Meeting*, Tampa, Florida. October 22-25, 2017.

- “Extension Service – 35 Years” Award. Presented to Daniel O’Brien by Kansas State University at the 2016 *KSRE Annual Conference*, Manhattan, KS, October 27, 2016.
- “2015 Team Award - Farm Bill Education Team”, Kansas State University, *KSRE Annual Conference*, Manhattan, KS. October 20-22, 2015.
- “Communicator of the Year” Award. Presented to Daniel O’Brien by the Kansas ACE Chapter, K-State Department of Communications at the *KSRE Annual Conference*, Manhattan, KS. October 23, 2014.
- “Extension Service – 30 Years” Award. Presented to Daniel O’Brien by Kansas State University at the *KSRE Annual Conference*, Manhattan, KS, October 18, 2012.
- “Outstanding Electronic Media Education Award” Award. Presented by the AAEA Extension Section for the K-State AgManager.info Website. Team members: R. Llewelyn, K. Dhuyvetter, G.A. Barnaby, D. O’Brien, T. Dumler, M. Langemeier, T. Schroeder, and A. Goheen. Award given by the Extension Section at the *AAEA Annual Meeting* in Denver, CO. July 25-27, 2010.
- “Horizons Award for Young Extension Faculty” Award. Presented to Daniel O’Brien by the Epsilon Sigma Phi National Honorary Extension Fraternity, Kansas State University Chapter at the *KSRE Annual Conference*, Manhattan, KS, November 6, 1977.
- “Team Achievement” Award for the 0-92 Farm Program Farm Management Education Program. Presented to members of the Farm Management Team in Northwest/West Central Iowa (including Daniel O’Brien) by Iowa State University Extension at the *ISU Annual Conference*, Ames, IA. 1993.
- “Excellence in Programming Award” for the ‘5 Aces of Farm Management’ Multi-County Educational Program in Northeast Nebraska. Awarded by both the University of Nebraska Extension Service at the *Nebraska Extension Annual Conference*, 1993, and the *National Association of County Agricultural Agents (NACAA) Annual Meeting*, 1993.

RESEARCH ACTIVITIES

Grant Activity (Received)

US Department of Agriculture – Risk Management Agency. “Utilizing RMA Insurance Products to Enhance Farm-level Risk Management Strategies for Kansas Producers.” Principal Investigator: Daniel O’Brien. Co-Investigators: Roberta Reid, Richard Llewelyn, and Monte Vandever. Grant amount: \$97,074 for 1 ½ years – September 30, 2018 through March 31, 2020. (*D. O’Brien portion - \$29,743 over a 1 ½ year period*)

Kansas Corn Commission Grant. “Efficient Irrigation Technologies for Corn – A Comparison” Principal Investigator: Freddie Lamm (lead). Other Investigator: D. O’Brien. Grant amount: \$15,000 for the July 1, 2019 through June 30, 2020 period, year 3 or 3. (*D. O’Brien portion - \$1,250 in year 3, \$2,000 used in previous 2 periods*)

Kansas Corn Commission Grant. “Working with Less Water for Corn Production” Principal Investigator: Alan Schlegel (lead). Other Investigators: F. Lamm and D. O’Brien. Grant

amount: \$32,500 for the July 1, 2019 through June 30, 2020 period. (D. O'Brien portion - \$2,500 in year 3)

Kansas Soybean Commission Grant. “Improving Soybean Yields by Enhancing Seed Filling” Principal Investigator: Ignacio Ciampitti (lead). Other Investigators: D. Ruiz Diaz Suarez, M. Knapp, B. McCarnack, D. Jardine, D. O'Brien, and S. Duncan. Grant amount: \$27,500 for the March 1, 2019 through February 28, 2020 period. (D. O'Brien portion - \$0)

National Sunflower Association Grant. “Influence of rainfall on the timing and efficacy of PRE/POST soil residual herbicides for control of herbicide-resistant kochia and Palmer amaranth.” Principal Investigator: Vipam Kumar (lead). Other Investigators: P. Stallman, D. O'Brien, and J. F. Jones. Grant amount: \$4,000 for the March 1, 2019 through February 28, 2020 period. (D. O'Brien portion - \$0)

US Department of Agriculture – Agricultural Research Service. “Water Management to Sustain the Economic Activity from the Ogallala Aquifer on the Southern High Plains.” Principal Investigator: Dan Devlin. Co-Investigators: Bill Golden, Daniel O'Brien, Monte Vandever, et al.. Grant amount: \$436,847 for five years – September 1, 2015 through August 31, 2020. (D. O'Brien portion - \$18,712 over five-year period)

Ogallala Aquifer Initiative Grant. “Crop Assurance Strategies for Irrigated Grain Sorghum Production.” Principal Investigator: KSU Scientist Alan Schlegel. Co-Investigators: Jourdan Bell (Texas Agrilife), Freddie Lamm and Daniel O'Brien (KSU), and Robert Schwartz (USDA ARS Bushland). Grant amount: \$162,791 over three years – October 2017 through March, 2020. (D. O'Brien portion - \$4,743 over three-year period)

Ogallala Aquifer Initiative Grant. “Landscape-scale Crop Water Productivity Model Supporting Multi-year Water Management Decisions.” Principal Investigators: KSU Scientists Robert Aiken, Xiaomao Lin, and F. Lamm. Co-Investigators: Paul Colazzi (USDA ARS Bushland), Daniel O'Brien (KSU), and R. Louis Baumert (USDA ARS Bushland). Grant amount: \$58,000 over three years – October 2015 through September, 2018. (D. O'Brien portion - \$2,700 over three-year period)

USDA Natural Resource Conservation Service (NRCS). “Demonstrating interactions between reduced tillage, soil water storage, and nutrient leaching under water limited irrigated cropping systems.” Principal Investigator: Isaya Kisekka. Other Investigators: Johnathan Holman, Daniel O'Brien, and Jonathan Aguilar. Grant amount: \$169,572 for year 3 of 3 year grant for the October 1, 2016 through September 30, 2017 period. (D. O'Brien portion - \$4,000 over three-year period)

Kansas Grain Sorghum Commission. “Sorghum Yield and Profitability Response to Water Supply and Irrigation Management.” Principal Investigators: Isaya Kisekka, and William Golden. Other Investigators: Freddie Lamm, Alan Schlegel, and Daniel O'Brien. Grant amount: \$75,000 for year 3 of 3 year grant for the October 1, 2016 through September 30, 2017 period. Total of \$230,659 for 3-year life of grant. (D. O'Brien portion - \$5,000 over three-year period)

Kansas Corn Commission Grant. “Corn Management Decision Guiding Website and Mobile App.” Principal Investigator: Ignacio Ciampitti (lead). Other Investigators: B.

McCornack, Y. Assefa, D. O'Brien, V. Prasad, W. Johnson, I. Kisekka, D. Shoup, L. Haag, S. Duncan, and A.J. Foster. Grant amount: \$39,350 for the July 1, 2016 through June 30, 2017.

Kansas Corn Commission Grant. “Developing a crop evaluation tool for comparing corn to alternative crop in Kansas Cropping Systems.” Principal Investigator: Daniel O'Brien (lead). Other Investigators: Ignacio Ciampitti, Danny Rogers, Jonathan Aguilar, William Golden, Xiaomao Lin, Lucas Haag, and Kraig Roozeboom. Grant amount: \$50,000 for the July 1, 2014 through December 31, 2015 period.

Arthur Capper Cooperative Center - CoBank Research Fellow Grant. “Factors affecting Kansas grain handling industry trends at the local level.” Principal Investigator: Daniel O'Brien. Grant amount: \$5,000 for the July 1, 2014 through June 30, 2015 period.

Ogallala Aquifer Initiative Grant. “Optimizing Land/Water Allocations for Irrigated Corn Production.” Focus of this grant: to reevaluate grain and biomass yield response functions in the High Plains region, normalize corn yield production functions across the region, and evaluate the economics of corn production for various irrigation capacities, hybrids, and plant populations. Principal Investigator: KSU Scientist F. Lamm. Co-Investigators: A. Schlegel, I. Kisekka, D. O'Brien, R. Schwartz, J. Bell, P. Colaizzi, and B. Guerrero. Grant amount: \$196,201 for two years – October 2014 through March, 2016.

Ogallala Aquifer Initiative Grant. “Conjunctive Use of Soil and Plant Based Sensors in Reducing Irrigation Scheduling Uncertainty.” Focus of this grant: to evaluate combined use of soil- and plant-based sensors for reducing uncertainty in irrigation scheduling in limited water environments. Principal Investigator: KSU Scientist I. Kisekka. Co-Investigators: J. Aguilar, D. O'Brien, and D. Rogers. Grant amount: \$39,802 for two years – October 2014 through March, 2016.

Kansas Corn Commission. “Yield of two (corn) hybrid maturities as affected by management allowed depletion level.” Principal Investigator: Freddie Lamm. Other Investigator: Daniel O'Brien. Grant amount: \$18,000 for the July 1, 2014 through June 30, 2015 period.

Ogallala Aquifer Initiative Grant. “Crop Water Production Functions for Grain Sorghum and Winter Wheat.” Focus of this grant: to develop relationships among water use, grain productivity and weather parameters to produce production functions forecasting grain yields of grain sorghum and winter wheat in water-limited cropping systems. Principal Investigators: KSU scientists Robert Aiken, Xiamao Lin, and Loyd Stone. Daniel O'Brien of KSU is a co-investigator along with three others from KSU and ARS-Texas. Grant amount: \$41,500 per year for 2 years, equaling \$83,000 – for October 2013-October 2015.

Kansas Water Resources Institute. “Moving Towards a Real-Time Drought Assessment and Forecasting System for Kansas.” Focus of this grant: to develop a real-time Kansas drought assessment and forecasting system in order to improve Kansan's decision making in regards to economic efficiency and sustainability. Principal Investigators: KSU scientists Xiaomao Lin, Gerard Kluitenberg, Robert Aiken, and Daniel O'Brien. Grant

amount: \$14,430 per year over a two-year period, totaling \$28,860 – for March 2014 through February 2016.

Ogallala Aquifer Initiative Grant. “Determining Profitable Integrated Grain and Forage Crop Rotations for the Ogallala Aquifer Region.” Focus of this grant: to integrate grain and annual forage crops together in crop rotations that reduce fallow, increase precipitation use efficiency, and increase profitability. Principal Investigators: KSU scientists John Holman, Alan Schlegel and Daniel O’Brien. Grant amount: \$46,021 per year for two years, with total = \$92,042 – January 2014 through December 2015.

Out-of-State Invited and Presented Applied Research Papers & Symposia:

Dhungel, R., R. Aiken, P. Colaizzi, X. Lin, D. O’Brien, L. Baumhardt, D. Brauer, G. Marek and S. Evett. “Landscape-scale crop water productivity model supporting multi-year water management decisions.” Progress report, presented at Ogallala Aquifer Workshop, Lubbock, TX, March 27, 2018.

Barnaby, G.A., D. O’Brien and E. Yeager. “Have the Land Grants been Teaching Futures and Options Wrong for 50 Years?” Organized Symposium at the *2017 Agriculture and Applied Economics Association Annual Meeting*, Chicago, IL, August 1, 2017.

O’Brien, D., and B. Briggeman. “The Changing Competitive Structure of the Kansas Grain Handling and Transportation Industry.” Presentation at the *2016 Agriculture and Applied Economics Association Annual Meeting*, Boston, Massachusetts, July 31-August 2, 2016.

Moderly, J, R. Aiken, X. Lin, L. Stone, A. Schlegel, L. Baumhardt, R. Schwartz, and D. O’Brien. “Crop water functions for grain sorghum and winter wheat.” Abstract of a presentation at the *ASA/CSSA/SSSA Annual meeting*, November 6-9, 2015. *ASA Abstracts* 95-1(2015).

Schlegel, A., D.M. O’Brien, and L. Haag. “Dryland Cropping Systems for the Central High Plains of North America.” Submitted abstract for the *70th Soil and Water Conservation Society (SWCS) International Annual Conference*, Greensboro, NC. July 26-27, 2015.

O’Brien, D., and F. Olson. “The Competitive Position of the Black Sea Region in World Wheat Export Markets.” Presented at the *NCCC-134 Applied Commodity Price Analysis, Forecasting and Market Risk Management Conference*, St. Louis, MO. April 21-22, 2014.

Langemeier, M, E. Yeager, and D. O’Brien. “Cost Efficiency and Feed Grain Production in Kansas.” Presented at *Southern Agricultural Economics Association Annual Meetings*, Orlando, FL. February 4-7, 2013.

Wisner, R., D. Anderson, R. Plain, D. Hofstrand, and D.M. O’Brien. “Future Patterns for Grains, Biofuels, and Livestock and Poultry Feeding in the U.S.” Report on a project financed by the American Feed Industry Association (AFIA) and C-FARE, and presented at the *Federation of Animal Sciences Symposium*, Phoenix, AZ, July 17, 2012, and also to the *USDA ERS Economists Group*, Washington, D.C.. December 14, 2012.

Lamm, F.R., D.M. O’Brien, D.H. Rogers, and T.J. Dumler. “Comparison of SDI and center pivot sprinkler economics.” In: *Proc. 2012 Irrigation Association Tech. Conf.*, Orlando, FL, November 4-5, 2012. Available from the IA, Falls Church, VA. CD-Rom, 10 pp.

- O'Brien, D. and F. Olson. "The Price Responsiveness of U.S. Wheat Export Demand by Class." *NCCC-134 Applied Commodity Price Analysis, Forecasting and Market Risk Management Conference*, St. Louis, MO. April 16-17, 2012.
- O'Brien, D., and J. O'Neill. "The Feasibility of Railcar Track Delivery as an Alternative Settlement Option for KCBT Wheat Futures Contracts." Presented at the *NCCC-134 Applied Commodity Price Analysis, Forecasting and Market Risk Management Conference*, St. Louis, MO. April 18-19, 2011.
- O'Brien, D., T. Dumler, and R. Jones. "The Economics of Selling Crop Residue Biomass for Cellulosic Ethanol Production at the Farm Level." Presentation at the *2010 Agriculture and Applied Economics Association Annual Meeting*, Denver. Colorado, July 25-27, 2010.
- O'Brien, D., F. Lamm, D. Rogers, and T. Dumler. "Effect of the Changing U.S. Economy on the Relative Profitability of Center Pivot Sprinklers and SDI Systems." Paper presented at the *Annual Meeting of the Irrigation Association* in San Antonio, Texas. December 2-4, 2009.
- O'Brien, D. "The Effects of the Micro-Market Structure for Kansas Grain Elevators on Spatial Grain Price Differentials." Presented at the *NCCC-134 Applied Commodity Price Analysis, Forecasting and Market Risk Management Conference*, St. Louis, MO. April 20-21, 2009.
- O'Brien, D. and J. O'Neill. "The Feasibility of Railcar Track Delivery as an Alternative Settlement Option for KCBT Wheat Futures Contracts." Presented at the *NCCC-134 Applied Commodity Price Analysis, Forecasting and Market Risk Management Conference*, St. Louis, Missouri. April 18-19, 2011.
- O'Brien, D., T. Dumler, and R. Jones. "The Economics of Selling Crop Residue Biomass for Cellulosic Ethanol Production at the Farm Level." Presented at the *AAEA, CAES, and WAEA Joint Annual Meeting*, Denver, CO. July 25-27, 2010.
- O'Brien, D. "Measuring Supply – Use for Distiller's Grains." Presentation at the *2010 Distillers Grains Symposium*, sponsored by Distillers Grains Technology Council, Indianapolis, IN. May 12-13, 2010.

Selected Kansas In-State Ext. Publications, Presentations, and Media Activity

Extension Publications on Kansas State University AgManager.info Website

O'Brien, D. "Grain Market Situation and Outlook." Twenty-four (24) articles on grain market situation and outlook for the *K-State Ag Econ Extension Agmanager.info website*, January-December 2018 (24 articles in 2017, 33 in 2016, 32 in 2015 & 30 in 2014).

O'Brien, D. "Weekly Grain Market Commentary." Thirty-seven (37) sets of written materials developed to support the weekly *KSU Agriculture Today Radio Program*, made available on the *K-State Ag Economics Extension Agmanager.info website*, January-December 2018 (32 articles in 2017, 44 in 2016, 44 in 2015 & 47 in 2014).

O'Brien, D. Selected "K-State Grain & Bioenergy Market Presentations." Seven (7) sets of materials (monthly) made available on the *K-State Ag Economics Extension Agmanager.info website*, January-December 2018 (11 sets sets of materials in 2017, 11 in 2016, 12 sets in 2015 & 10 sets in 2014).

O'Brien, D. and various authors. "KSU Farm Management Guide Crop and Livestock Production Cost-Return Budgets." (series). K-State Research and Extension, 1995-2002 and 2007-2018.

Annual KSU Risk & Profit Conference Presentations

O'Brien, D. "Grain Market Outlook." *Annual Risk and Profit Conferences*, Dept. of Agricultural Economics, Kansas State University, Manhattan, KS. August 2004, 2009-2018.

O'Brien, D., E. Yeager, D. Holaday, & A. Barnaby. "The VSR Track Record for 2018 Kansas HRW Wheat Futures." *Risk and Profit Conference*, Dept. of Agricultural Economics, Kansas State University, Manhattan, KS. August 16-17, 2018.

O'Brien, D., & M. Wood. "Finding Grain Marketing Strategies for 2018-2019." *Risk and Profit Conference*, Dept. of Agricultural Economics, Kansas State University, Manhattan, KS. August 16-17, 2018.

O'Brien, D., A. Barnaby, & E. Yeager. "Non-Convergence in HRW Futures & Cash Prices." *Risk and Profit Conference*, Dept. of Agricultural Economics, Kansas State University, Manhattan, KS. August 11-18, 2017.

O'Brien, D. "Bioenergy Market Trends." *Risk and Profit Conference*, Dept. of Agricultural Economics, Kansas State University, Manhattan, KS. August 11-18, 2017.

O'Brien, D. "The Changing Competitive Structure of the Kansas Grain Handling and Transportation Industry." *Risk and Profit Conference*, Dept. of Agricultural Economics, Kansas State University, Manhattan, KS. August 18-19, 2016.

O'Brien, D. "Kansas Grain Industry Trends." *Risk and Profit Conference*, Dept. of Agricultural Economics, Kansas State University, Manhattan, KS. August 20-21, 2015.

- O'Brien, D. "Black Sea Wheat Market Integration with World Wheat Markets." *Risk and Profit Conference*, Dept. of Agricultural Economics, Kansas State University, Manhattan, KS. August 20-21, 2014.
- O'Brien, D. "Corn and Grain Sorghum Production Efficiency in Kansas." *Risk and Profit Conference*, Dept. of Agricultural Economics, Kansas State University, Manhattan, KS. August 21-22, 2013.
- O'Brien, D. "Bioenergy Economics: Current Situation and 2012-2013 Outlook." *Risk and Profit Conference*, Dept. of Agricultural Economics, Kansas State University, Manhattan, KS. August 16-17, 2012.
- O'Brien, D. "2011-2012 Grain Market Outlook and Basis Issues: A Deeper Look." *Risk and Profit Conference*, Dept. of Agricultural Economics, Kansas State University, Manhattan, KS. August 18-19, 2011.
- O'Brien, D. "HRW Wheat Basis and Cash-Futures Convergence Issues in 2010." *Risk and Profit Conference*, Dept. of Agricultural Economics, Kansas State University, Manhattan, KS. August 19-20, 2010.
- O'Brien, D. "The Impact of Kansas Grain Industry Structure on Corn and Wheat Bids." *Risk and Profit Conference*, Dept. of Agricultural Economics, Kansas State University, Manhattan, KS. August 20-21, 2009.
- O'Brien, D. "Grain Handling and Transportation in Western Kansas." *Risk and Profit Conference*, Dept. of Agricultural Economics, Kansas State University, Manhattan, KS. August 16-17, 2008.
- Woolverton, M. and D.M. O'Brien. "Global Supply & Demand: Can We Feed the World – Parts I & II." *Risk and Profit Conference*, Dept. of Agricultural Economics, Kansas State University, Manhattan, KS. August 14-15, 2008.
- O'Brien, D. "Grain Handling and Transportation Systems in Western Kansas." *Risk and Profit Conference*, Dept. of Agricultural Economics, Kansas State University, Manhattan, KS. August 16-17, 2007.
- Wahl, R., M. Wood, and D. O'Brien. "Factors Affecting Farm Financial Performance in Northwest Kansas." *Risk and Profit Conference*, Dept. of Agricultural Economics, Kansas State University, Manhattan, KS. August 17-18, 2000.
- O'Brien, D., and T. Dumler. "Strategic Planning for Two Generation Farming." *Risk and Profit Conference*, Dept. of Agricultural Economics, Kansas State University, Manhattan, KS. August 20-21, 1998.
- Albright, M., D. O'Brien, and J. Sartwelle. "Kansas Crop Share Leasing Arrangements." Presentation at the *K-State Ag Land Values Conference*, Dept. of Agricultural Economics, Kansas State University, Manhattan, KS. 23-24, 1996.

Other Annual State-wide KSU Conference & Workshop Presentations

- O'Brien, D. "Grain Market Outlook." *Kansas Agricultural Lenders Conferences*, Dept. of

Agricultural Economics, Kansas State University, Garden City, KS, and Manhattan, KS, Fall (October) 2009-2018.

O'Brien, D. "Grain Market Outlook." *Kansas Crop Insurance Workshops*, Dept. of Agricultural Economics, Kansas State University, Salina, KS. Nov. 2009-2010, 2012-2018.

O'Brien, D. "U.S. Ethanol Market and Policy Outlook." *Crop Insurance Workshops* in Colorado, Nebraska, Kansas, and Oklahoma. November 1-4, 2011

O'Brien, D. "Grain Marketing: Prices, Principles & Strategies." *Risk Assessed Marketing Workshops* in Kansas, 2009-2017.

Other Selected Extension Presentations, Publications and Activities in Kansas

O'Brien, D. and other Co-Presenters. Various grain marketing, farmland leasing, farm policy, and crop production economics topics at northwest Kansas KSU *Cover Your Acres Conferences*, January 2007-2015 & 2017 (not in 2016 or 2018).

O'Brien, D., and M. Vandever. "Irrigated Crop Production & Profitability." In: *Proc. 27th Annual Central Plains Irrigation Conference*, February 20-21, 2018, Colby, KS. Available from CPIA, 760 N. Thompson, Colby, KS.

Lamm, F., D. O'Brien, and D. Rogers. "Using the K-State center pivot sprinkler and SDI economic comparison spreadsheet – 2015." In: *Proc. 27th Annual Central Plains Irrigation Conference*, February 17-18, 2015, Colby, KS. Available from CPIA, 760 N. Thompson, Colby, KS.

Lamm, F., D. O'Brien, and D. Rogers. "Using the K-State center pivot sprinkler and SDI economic comparison spreadsheet – 2014." In: *Proc. 26th Annual Central Plains Irrigation Conference*, February 25-26, 2014, Burlington, Colorado. Available from CPIA, 760 N. Thompson, Colby, KS.

2016	53	2,579	155
2017	55	2,559	148
2018	44	2,519	160

- Presentations: In year 2018, Daniel M. O'Brien gave 44 grain market and/or bioenergy market situation/outlook, grain price risk management, and/or farm bill educational presentations to a total of 1,967 people – an average of 44.7 per presentation. Of these presentations, 41 were given in the role of primary presenter, while 3 others were given as a co-presenter. This compares to 55 presentations to 2,477 people in 2017 (45.0 per presentation), 53 presentations to 2,579 people in 2106 (48.7 per presentation), 29 presentations to 2,579 people in 2105 (70.4 per presentation), 51 presentations to 2,581 people in 2014 (50.6 per presentation), and 34 presentations to 1,489 people in 2013 (38.2 per presentation).
- Professional Consultations / Questions: Individual consultations were provided to 150 Extension clientele in 2018 related to grain and bioenergy market situation/outlook, farm bill, and grain price risk management issues. This number is up from 110 in 2017, 88 in 2016, 90 in 2015, 76 in 2014, 72 in 2013, and 59 in 2012.

- Total Professional Contacts related to grain and bioenergy market situation/outlook and grain price risk management issues in 2018 equaled 2,519 clientele and other fellow professionals, down from 2,689 clientele in 2017, from 2,579 clientele in 2016, 2,716 clientele in 2015, and 2,729 in 2014, while being up from 1,607 contacts in 2013, and 1,804 contacts in 2012.
- Media Articles: During year 2018, O'Brien wrote or contributed to 81 print and/or electronic media articles in this subject matter area via the www.AgManager.info website. In addition, contributions were made to 27 known popular agricultural media articles, providing analyses on grain marketing trends and other key market factors. During year 2017, O'Brien wrote or contributed to 101 print and/or electronic media articles in this subject matter area. In addition, contributions were made to 26 known popular agricultural media articles, providing analyses on grain marketing trends and other key market factors.
- Radio Programs: In year 2018, O'Brien contributed to 60 public radio programs focusing on grain market and/or bioenergy market situation/outlook and grain price risk management issues. Of these, 50 were presented as a weekly, state-wide grain market update on KSU Agriculture Today radio program. Another 7 radio interviews were associated with a monthly bioenergy market analysis program with WILL public radio in Illinois. This compares to year 2017 in which O'Brien contributed to 61 public radio programs focusing on grain market and/or bioenergy market situation/outlook and grain price risk management issues. Of these, 50 were presented as a weekly, state-wide grain market update on KSU Agriculture Today radio program. Another 11 radio interviews were associated with a monthly bioenergy market analysis program with WILL public radio in Illinois.
- Website for Extension Grain Marketing Information: During 2018 the "*Focused on Grains*" blog had 9,311 views from 5,427 visitors, with 66 posts published. Total views are down 41.6% from 15,947 views in 2017, with total views of 8,509 visitors down 36.2% from a year earlier. The total of 66 posts in 2018 is down 22.4% from 85 posts published in 2017. This compares to year 2016 when the "*Focused on Grains*" blog had 16,515 views from 9,128 visitors, with 102 posts published. During 2015 / 2014 / 2013 the website had 13,967 / 15,782 / 12,959 views and 8,299 / 9,546 / 7,665 visitors, with 115 / 128 / 127 posts published, respectively. The purpose of the blog is to supplement the information available on the KSU AgManager.info website, focusing on "grain and bioenergy market information, analysis, and discussion". The website address is: <http://ksugrains.wordpress.com/>
- Twitter© Social Media for Extension Grain Marketing Information: On **Twitter©** under the identifier "KSUGrains", 319 "tweets" related to grain marketing, bioenergy, and macro economic topics were made in 2018 – up 115.5% from 148 "tweets" in 2017, and is comparable to 152 in 2016, 142 in 2015, 181 in 2014, 218 in 2013, and 513 in 2012. Followers of the "KSUGrains" Twitter© account has remained sizable in number over time. As of January 2, 2019, "KSUGrains" had approximately 2,244 **followers on Twitter©** through the end of 2018; compared to 2,127 followers through the end of 2017, 1,354 followers through 2016; 1,765 followers through 2015; 1,564 followers through 2014; 1,286 followers in 2013; and 784 followers through the end of 2012. Conversely, the "KSUGrains" blog on social media **was following** 1,675 Twitter© participants on January 12, 2018; 1,519 Twitter© participants through the end of 2017; 1,958 through the end of 2016; 1,077 through the end of 2015; 741 through the end of 2014; 517 through the end of 2013; and 409 through 2012.

- **Facebook**© has also been used as an outlet for grain and bioenergy market information under the identifier “Daniel O’Brien”. As of January 2, 2019, this Facebook© account had 702 followers through the end of 2018, up from 661 followers through the end of 2017; and up from 591 followers on through 2016; 498 followers for 2015; 402 followers through 2014; 268 in 2013; and from 145 for the 2012 year. Of these Facebook© followers on January 2, 2019, approximately 353 were associated with agribusiness, agricultural producer groups, national / regional agricultural media, or other interested agricultural or farming audiences. This compares to 332 ag-related followers for 2017, 270 for 2016; 206 for year 2015; 182 for 2014; 158 for 2013; and 84 for year 2012.

Extension Cropping Systems and Farm Management Publications, Presentations, and Activities:

Extension Dryland and Irrigated Cropping Systems, Farmland Leasing, Farm Financial Management and other education presentations from 1995 through 2018.

Year	Public Presentations	Professional Contacts	Radio / TV / Print Media
1995	18	400	--
