

<b>General Description of Position:</b>	The Department of Agricultural Economics at Kansas State University seeks to fill a 9 month tenure-track Assistant or Associate Professor position. The position is budgeted as teaching/research with 3 or 4 courses taught each year.
<b>Information about the College/Unit:</b>	The Department has a reputation for excellence in all three functions of the University's land grant mission (teaching, research, and extension). The successful candidate is expected to be a leader in the Department's teaching and research programs. The Department offers B.S. degrees in agricultural economics and agribusiness, an M.S. degree in agricultural economics, a Master of Agribusiness (MAB) degree, and a Ph.D. in agricultural economics. Currently, over 400 undergraduate and 60 graduate students are enrolled in our on-campus programs. Another 90 students are enrolled in the MAB degree program. More information on the Department can be found at <a href="http://www.ageconomics.ksu.edu">www.ageconomics.ksu.edu</a> .
<b>Position Emphasis:</b>	Areas of teaching and research emphasis may include, but are not limited to agribusiness, agricultural finance, agricultural and commodity marketing, production economics, risk management or other relevant fields. The Department is known for teaching, research and extension programs that addresses real-world problems in local, state, national, and global agriculture and agribusiness.
<b>We Support Diversity and Inclusion:</b>	Kansas State University embraces diversity and promotes inclusion in every sector of the institution. The university actively seeks individuals whose commitments and contributions will advance the University's dedication to the <a href="#">Principles of Community</a>
<b>What You'll Need to Succeed:</b>	<ul style="list-style-type: none"><li>• Develop and deliver internationally recognized teaching and research programs</li><li>• Teach 3 or 4 classes a year with the majority at the undergraduate level; the specific course appointments will be based on Department needs and applicant's areas of expertise</li><li>• Advise and direct research by undergraduate and/or graduate students</li><li>• Attract grant funds to support teaching and research programs</li><li>• Develop collaborative programs with other faculty, units, and departments at Kansas State University, and with allied industry organizations, government agencies, and other stakeholders</li><li>• Create an environment that fosters diversity and collegiality while working in a multi-cultural setting</li></ul>
<b>Required Minimum Qualifications:</b>	<p><b>Assistant Professor:</b> Ph.D. or equivalent in agricultural economics, applied economics, or closely related field. Commitment to excellence in classroom instruction, desire to develop a renowned research program, excellent written and oral communication skills, and commitment to expanding and fostering diversity.</p> <p><b>Associate Professor:</b> Ph.D. or equivalent in agricultural economics, applied economics, or closely related field. Strong record of achievement with excellence in classroom instruction, excellence in published research, excellent written and oral communication skills, and strong commitment to expanding and fostering diversity.</p>
